Dear Players and Parents,

**Re: ESF Soccer – Player Development Programme**

We are in the process of organising a Player Development Programme (PDP) starting with Year 7 boys and would like to offer it to you as an additional opportunity to your current training programme.

The PDP will see our qualified coaching staff, (including a UEFA 'A' Licence holder) working with Year 7 students from all senior schools, that wish to improve as soccer players and allow them to develop their potential over the term period by training with qualified soccer coaches in structured developmental sessions.

We intend setting up PDP Representative Squads across Hong Kong to play competitive matches against each other. From those matches a PDP Select Squad will be selected to represent the PDP in competitive matches against selected opposition.

The PDP will be held on Saturdays between 12.30 – 2pm at KGV, on the all weather facility

The cost to each player/parent for taking part in the PDP programme will be HK\$1,000 per term. This will ensure that we can cover the cost of facility hire and coaching staff.

If you are interested in taking part in the PDP please email your interest to me directly at [jhackett@esf.org.hk](mailto:jhackett@esf.org.hk) or by telephone: **2711 1280**.

Please note that each area squad will be restricted to 20 players only, so if you are interested I would urge you to register your interest at the earliest opportunity.

Yours in Sport

Jim Hackett  
Head Coach  
ESF Soccer
